

MISSION MEMPHIS

STREET REACH, MEMPHIS, TN

JUNE 26-JULY 3

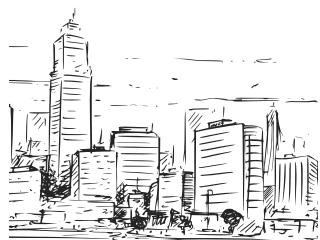

WHO WILL WE BE SERVING WITH?

STREET REACH | MEMPHIS

About 20 years ago, the small impoverished congregation of Brinkley Heights Baptist Church realized their heart felt the need to reclaim their community for Christ. These 10 people worshipped in a building that was later condemned and had trouble maintaining the light bill yet, wanted to minister to their community! Despite their situation, these people prayed that God would send in the "reinforcements" needed to help them fulfill the vision of the great commission in their part of the city. That very summer, Brinkley Heights saw their very first mission team and God has been blessing them ever since. Through Brinkley Heights, and their hearts to reach the North Memphis community, Street Reach was born. Street Reach is a non-profit ministry located in an impoverished area of North Memphis, TN and St. Louis, MO. For the children and youth living in these communities, drugs, gangs, crime, and violence are not just stories seen on the news; they are a way of life. Almost every family has been impacted by some type of abuse and the results can be seen everywhere. Street Reach tries to impact these children's lives by meeting them where they are and running Backyard Bible Clubs in their neighborhoods, where they feel most comfortable. Street Reach strives to meet the needs of the community and love them the way Jesus Christ loves us.

HOW WILL WE MINISTER IN MEMPHIS?

The community of North Memphis looks forward to summer because of the Bible Clubs Street Reach provides!

At Mission Memphis we will be serving alongside of Street Reach Ministries, a ministry birthed out of a local Baptist church called Brinkley Heights Baptist Church. During the wee we will be ministering in a neighborhood of the Memphis area and providing the kids of that community with an intentional and exciting Backyard Bible Club each morning that will include Bible Stories, Songs, Games, and Crafts! In the afternoons we will continue to serve the community alongside of Brinkley Heights Baptist Church and Street Reach with various service including painting, clean up, clubs, and more!

WHAT DO "BIBLE CLUBS" LOOK LIKE?

BIBLE CLUBS MONDAY THROUGH FRIDAY - 10:15-12:30AM

FOUR GROUPS SPLIT BY AGE / FOUR ROTATIONS SPLIT BY TIME

bible story

20 Min.

1-2 adults oversee this breakout

3+ students helping lead this breakout

It is important that the Bible Story is communicated well and made relevant to the lives of the children we minister to. Interactive stories work best as well as fun ways to memorize the memory verse that is attached to each story. We will be using the simple curriculum Street Reach provides with any of our own additions we may find helpful!

*Before we leave we will have **mandatory training sessions** and divide up and prepare for Bible Clubs.*

crafts

Part of your Bible Club sessions will involve crafts. We will provide the materials needed to complete each days' craft activity and plan for 80 kids altogether. The crafts brought will be based upon recommendations from Street Reach. Note: the Bible clubs are outside in vacant lots and tables will not be available, unless we bring them. Power will not be available.

*Before we leave we will have **mandatory training sessions** and divide up and prepare for Bible Clubs.*

games

Structure is very important in this station. You will want to avoid asking the kids "what do you want to play?" and instead say, "today we will be playing _____?" They are watching you. If you are excited about the game, they will be excited about the game. Simple and fun ideas are provided by Street Reach.

*Before we leave we will have **mandatory training sessions** and divide up and prepare for Bible Clubs.*

songs

Classic children's church songs work great here, such as "My God is so Big," and Lord's Army." Songs with motions and movement work well because it keeps their attention. In addition to these, good filler songs to keep their attention are our classic Bible club songs like "Little Red Wagon," Bazooka Bubble Gum," and "Boom-Chicka-Boom." We will not have access to electricity but we can bring a wireless speaker. More songs are provided by Street Reach. Memorizing and singing verses of scripture are helpful as well!
